17/03/2022 · DSK World StringZ offers a unique combination of world string instruments – Celtic harp, cumbus, dobro, kanun, koto, dulcimer, tar, and Turkish oud. It comes with velocity response, amp, envelope and micro-detuner, HP/LP filter, and MIDI automation. Again, I feel like I've heard some of these sounds in video games, but they aren't bad at all.
