Hintertux gletscher snow report

If a relaxing ride on the world's slowest express train isn't for you, you might want to try all the activities in the Arctic - from snowshoeing to dog sledding - or watch the northern lights as you cruise the remote waters of Norway. Take a look at the best snow vacations to browse now and experience later, from the Swiss Alps to Swedish Lapland... Their amazing Treehotel is as unique as the Icehotel and allows you to sleep high up in the trees in a magnificent tree house room. Best snow vacations for this winter Explore the Arctic Circle in winter style An Arctic Circle cruise is a fantastic way to soak up the season as you sail to the likes of the Lofoten Islands, Bodo and Tromso to witness frozen Norway in all its glory. On an exclusive Northern Lights cruise, Carol will join you as you search for the Aurora Borealis and answer questions about her career. With holidays back on the table, we thought we would take a look at the best icy adventures to book now for this winter. If your idea of the perfect snow holiday is one without the skiing, you've come to the right place as we've rounded up the best trips to take for the ultimate cold weather getaway in late 2021 and 2022. Our pick of the best snow holidays will take you to the most amazing winter wonders of the world. This content is created and maintained by third parties and imported into this page to help users provide their email addresses. During a six-day sail, you can also enjoy fantastic excursions, such as dog sledding and king crab fishing. You will sail on an environmentally friendly ship and have many opportunities to spot the amazing northern lights. Experience four days on an unforgettable snow holiday where you will stay in a cozy hotel with a fireplace, spend a lot of time outdoors and (hopefully) those dancing green lights in the sky. Best snow vacations for this winter Discover the last great wilderness of the earth, the tundra of the Arctic Circle, in winter. This is a once-in-a-lifetime experience that offers a unique perspective on the Arctic region. The snow is deep and the views are breathtaking.
